

November 2023 Newsletter

During the month of November we will discuss; harvests, the kitchen, being thankful and authors. We are excited to announce some new enrichment classes. Starting this month we will now have music with Ms Karen, yoga with Francesca and sports with Ahead of The Game.

As the weather changes and it is getting colder please be sure your child has sufficient warm clothes. A hat, gloves, jacket and sweatshirts are good examples of things to leave at school for your child. Please replenish your child's clothes if they have been sent home with dirty clothes in their Bag.

Flu and cold season are here. Please help keep all our children healthy by washing your child's hands upon entering the classroom.

We would like to say congratulations to Evelyn, Sloane and Theo as they are moving up to the Busy Bee classroom. We will miss you all so much and will see you around the center.

We would also like to welcome Eamon and Piera from the infant room. They are now ducklings!

Quick reminders

-Please be sure to label all of your child's things including, sheets, blankets, coats, hats, mittens and anything else that comes to school.

-Please be sure your child arrives daily in a fresh unsoiled diaper.
