- * Please bring in a water bottle for your child; we will be bringing them outside to the playground on hot days and we use them at afternoon snack.
- * Please bring in a hat for your child to wear on the playground

LABEL, LABEL, LABEL

Please remember to label all your child's belongings. This is especially important at this time of the year when children are transitioning to different classrooms!

****We also would like to share that we have a Severe Coconut allergy in the classroom. So please do not bring in or apply anything that has a strong coconut scent to it.****

Sunscreen & a Hat!

Summer is here!, please remember to apply sunscreen to your child every morning. Teachers will reapply it every afternoon before going outside! Please send your child in with a hat as well!
