

Greater Quincy Child Care Center

Nancy Anderson, Director
Judi Bailey, Assistant Director

Kindergarten Graduation

Kindergarten Graduation provided us with a very moving end to a successful year of learning. The children enjoyed their graduation celebration and their families enjoyed the songs and photo opportunities. Some of the children left our school as they continue on their journey of learning and we are fortunate to have some of the children remain with us for our Summer Enrichment Program. We thank all of our families for sharing your children with us.

Center-Wide Visits and Move-Up Days

You are probably noticing new faces in your child's classroom. June and July are very busy months at our Center. Children are saying good-bye to their friends and teachers as they prepare to move up to their new classroom. Some classes celebrated with a party or a special lunch. Before children move to their new classroom, their teachers introduce the children and their families to their new teachers. In order to make the transition easier for children, families and teachers, the children spend time visiting their new classroom, getting to know their new friends and exploring all of the new activities prior to their move-up. Our next Center-wide move-up will take place on September 6th.

Reminder

The Center will be closed on Tuesday, July 4th to celebrate Independence Day. We wish all of our families a happy and safe holiday.

July Board of Directors Meeting

Wednesday, July 19th at 6:15 p.m. in the Corporate Chefs Café. All parents are welcome to attend. Babysitting and a light supper will be provided. Please let Nancy or Judi know if you plan to attend so we can plan accordingly.

Fundraising

Thank you for continuing to support our Fundraising efforts. We will continue to run "Dining for Dollars" events; watch your email for details. There is a thermometer in our lobby next to the hand key so we can track our progress. We have contracted with Amazing Athletes an enrichment program that provides life skills through sports. Many of you are familiar with this group; this past year they provided our Center with an excellent program. To date we have raised \$1,537.

Thank you again to everyone who is supporting our Fundraiser.

GQCCC's Music Program

We bid a sad farewell to Miss Diana, she is moving to New York after providing an amazing music program for our children for over 14 years.

We are excited to welcome Stephanie Munoz who comes highly recommended to us. Stephanie has a Master's degree from the New England Conservatory of Music. Stephanie has 10 years experience teaching in many capacities including early childhood classes. She will begin on July 11th providing us with music classes for all of our children twice a month.
