Fall Cleaning

The Center will be closed on Thursday, August 31st and Friday, September 1st for our annual Center-wide Fall Cleaning Days. The teachers clean their classroom space everyday and a cleaning service vacuums and washes the floors and cleans the bathrooms every night; but on these two days the teachers literally tear their classrooms apart, clean every nook and cranny then put everything back together ready to start fresh on September 5th. Some of our children will be leaving to go to a new school and some will be moving up into a new classroom. Everyone will enjoy the fresh, clean start in September. As per your Enrollment Agreement, tuition payments are due as usual.

August Board of Director's Meeting

The Board of Director's will meet on Wednesday, August 16th at 6:15 P.M. in the Corporate Chefs Café. All parents welcome. Please let Nancy or Judi Know if you plan to attend.

Move-ups and New Faces

We would like to welcome all of the new families who have come into our Center. The children who are new to our Center as well as the children who have moved up are adjusting to their new classrooms and meeting new friends. We are getting ready for our second Center-wide move-up scheduled for September 5th. In order to make the transition easier for children, families and teachers, the children will spend time visiting their new classroom getting to know their new friends and teachers and exploring all of the new activities on August 21st and 22nd two weeks prior to their move-up.

2017 Fundraising Update

We are working on a schedule to continue the Amazing Athletes large motor enrichment program.

The children as well as the teachers love this quality enrichment program. The classrooms will also receive money for new classroom manipulatives.

Watch for our next "Dining for Dollars" event. We received a check from the Ninety-nine Restaurant for \$189. Thank you for supporting our event.

Mark Your Calendars

We will be closed Thursday, August 31st and Friday, September 1st for our annual Center-wide Fall Cleaning Days.

We will also be closed on Monday, September 4th for Labor Day

Visit days for the September move-up are Monday, August 21st and Tuesday, August 22nd from 9-11:45 AM.

Curriculum Night/Pot Luck Dinner will be held Friday, September 29th.

Staff Update

We bid a sad farewell to our summer subs; River Barrett, Gabby Bertoldi, Brianna Christiani, Kristen Connors, Katie Dormady, and Michaela Petinelli they will be returning to school at the end of the month. Thank you for supporting our staff throughout the summer.

Add-A-Day

Just a reminder to let you know that you can Add-A-Day to your schedule if there is space available in your child's classroom. Every so often you may run into a situation where you find you need child care unexpectedly. What better place than the Greater Quincy Child Care Center where your child is already known and loved. If you ever need an extra day, talk to your child's teachers or you can call the office to see if there is a space available. You can include the extra day charge in your next tuition check.

Safe Shoes

Please remember sneakers are always the safest choice for children when they are at school. If you do choose to have your child wear sandals, be sure the sandal has a closed toe. The children spend time on the playground every day and we don't want those little toes to get scraped when the children are running on the black top or hurt when the wood carpet chips get into their shoes. Flip flops are not allowed; they are not safe for the playground.

Outside Play

Be sure to remember to apply insect repellent and sunscreen in the morning; we will apply it before the children go outside in the afternoon as long as you have signed the permission form.

We are a Peanut Free/Tree Nut Free Environment

We have several children with severe peanut allergies in our Center. As per Center Policy, all shared food must be brought to the office with the entire ingredient label attached. If there isn't anyone in the office, leave it on Judi's desk with your child's name on the product. We will deliver all food to the classroom. Often labels will state "may be processed with nut products" in which case we cannot serve it to the children.
